Storage and retention of personal information/personal data

King Price will retain personal information/personal data it has processed, in an electronic or hard copy file format, with a third party service provider appointed for this purpose.

Personal information/personal data will only be retained by King Price for as long as necessary to fulfil the purposes for which that personal information/personal data was collected, or as permitted in terms of applicable law.

In further compliance with applicable laws, King Price will take steps to notify the relevant regulator/s and any affected data subjects in the event of a security breach and will provide such notification as soon as reasonably possible after becoming aware of any such breach.

Notwithstanding any other provisions of this policy, it should be acknowledged that the transmission of personal information/personal data, whether it be in person, via the internet or any other digital data transferring technology, isn't completely secure. While King Price has taken all appropriate, reasonable measures to secure the integrity and confidentiality of the personal information/personal data it processes, in order to guard against the loss of, damage to, or unauthorised destruction of, personal information/personal data and unlawful access to (or processing of) personal information/personal data, King Price in no way guarantees that its security system is 100% secure or error-free. Therefore, King Price doesn't guarantee the security or accuracy of the information (whether it be personal information/personal data or not) which it collects from any data subject.

Any transmission of personal information/personal data will be solely at the own risk of the data subject.
